

Messeforum Oy's Code of Conduct

All our activity is based on Finnish and international laws and regulations and on the Universal Declaration of Human Rights.

In all our activity, we respect and encourage following values:

- human rights and wellbeing of all people
- gender, race and age equality
- elimination of any kind of discrimination
- total refusal of forced and child labour
- anti-corruption
- environmental responsibility
- promotion of environmentally friendly solutions and technologies

In addition, in our business, we

- truly care for and listen to our clients' needs
- believe in transparency, open discussions and honesty
- respect the agreements with our clients and partners
- take whole responsibility of our actions
- give our best to all our clients
 - ⇒ our slogan is: The Best Exhibition Service
- provide all our exhibition stands carbon neutral based on GHG protocol
 - ⇒ our slogan is: Messeforum's Exhibition Stand, Your Carbon Neutral Forum at Trade Fairs
